### Step 6. NEHA Code of Ethics for NEHA Credentialed Professionals

As an environmental professional, credentialed by the National Environmental Health Association, I hereby acknowledge, accept, and profess to abide by the following code of conduct and ethics:

- As long as my credential is in an active status, I shall endeavor to keep myself current and informed and satisfy any continuing education requirements that may be in effect for my credential.
- I will proudly represent my credentialed status and the credential itself to my professional peers, and to the public I serve.
- In the course of performing my duties, I will conduct myself in a professional manner befitting of my credentialed status.
- For the sake of elevating the recognition and status of my field, I will actively encourage my professional colleagues to consider earning this credential for themselves.
- I will do nothing to undermine, detract from, or otherwise cause to develop any damaging associations with respect to this credential. I accept that any activity on my part that will cause this credential any measure of injury serves as a breach and a failure on my part to uphold this code of ethics. Moreover, I accept that such action, for which I might be responsible, could result in the revocation of my credential.
- I commit that my professional goal is to serve humankind by doing whatever I am able to do in the course of carrying out my professional responsibilities to maintain and provide a healthful environment for all.

\_\_\_\_\_
