NEHA...your educational resource for environmental health and protection information.

The National Environmental Health Association (NEHA) invites you to become an Individual Member of **the only association that covers all areas of environmental health and protection**, including terrorism and all-hazards preparedness, food protection, hazardous waste, onsite wastewater, air and water quality, epidemiology, and EH management—in both the public and private sectors.

There are many advantages to becoming a NEHA Individual Member. One will become evident to you immediately as you automatically receive your free subscription to the prestigious *Journal of Environmental Health*.

As a customer-driven association, NEHA is acutely aware of the many concerns that you face as an environmental health professional. NEHA's responsibility is to address your professional concerns by providing you with the **education** you need to do your job properly, the **motivation** you want to meet your career goals, and the opportunity to **advance** in your chosen profession. NEHA offers you ...

INFORMATION

Journal of Environmental Health (JEH)
JEH is an excellent resource for timely EH information and will provide you with innovative, practical ideas to carry into the field and office. NEHA members receive this attractive and informative 64⁺-page journal 10 times per year absolutely free.

Members Only Web site

As a NEHA member, you will get access to the members only site, which houses valuable information including a member directory, archive of JEH articles, e-News archive, and more!

EDUCATION & NETWORKING

NEHA Annual Educational Conference (AEC) & Exhibition

EH and protection professionals may attend as generalists or specialists and select classes from over 18 EH and protection areas. Either way, you are guaranteed a superb educational and networking experience. NEHA Members also receive discounts on registration fees.

NEHA Workshops

NEHA members may take advantage of EH workshops at little or no cost! Current workshops include: Epi-Ready Foodborne Illness Response Strategies; Nuclear, Biological, and Chemical Preparedness; Food Safe Schools Action Guide Workshop; IAQ: Overview/Asthma Triggers; IAQ: Tools for Schools; Radon-Resistant New Construction (RRNC); and EH Leadership Development.

Continuing Education Contact

Hours. NEHA members can maintain their Continuing Education credits for free via NEHA e-Learning sessions! Also meet your CE requirements through NEHA by attending conferences; writing book reviews of NEHA's publications; or by completing *JEH* quizzes (available to members only).

NEHA Sabbatical Exchange

Program. A remarkable all-expense-paid, month-long opportunity to experience and learn about how EH is practiced in another country (England or Canada). Each year members are invited to apply for this award.
