NEHA-FDA Retail Flexible Funding Model Grant Program

Track 1 Development Base Grant - CY 2024 Application Template

Below is a multi-page screenshot from the NEHA-FDA Retail Flexible Funding Model (RFFM) Grant Program Portal, showing the application template for the grant type specified above. The screen-shot includes images of all required input fields, including maximum character counts for each text box.

When preparing applications for this grant program, please consider the following best practices:

1) For reasons of security and functionality, jurisdictions are required to complete all grant applications online using a modern, up-to-date browser. Users may access links to download these browsers at https://www.neha.org/retail-grants-tech-support.

2) For browser access to the grant portal, we recommend using an up-to-date version of Chrome, Edge, or Brave. *Note: Internet Explorer is out of date and no longer supported by Microsoft and will not work with the NEHA-FDA RFFM Grant Program Portal*.

3) Some applicants find it useful to draft answers for each grant portal question into MS Word or a comparable program, checking character counts for each entry (found under the Review tab in Microsoft Word), and reviewing their entries using Spell Check or Editor (also found under the Review tab in Microsoft Word). When complete, entries can then be copied and pasted into the grant program portal. This can be especially important to avoid loss of unsaved information when using a web-based program like the NEHA-FDA RFFM Grant Program Portal.

All applications for this grant program must be completed and submitted online through the NEHA-FDA Retail Flexible Funding Model (RFFM) Grant Program Portal, accessed through the NEHA Retail Grants website at https://www.neha.org/retail-grants . The information on the following pages may be helpful as you gather information and plan for development of your grant application.

Budget Worksheet(s) and Justification(s)

Track 1 Development Base Grant applicants only need to submit a Budget Worksheet if requesting funds for the **Training Optional Add-On** for in-person FDA Self-Assessment and Verification Workshop attendance. One or more Budget Worksheets should be added to itemize estimated training expenses for each person planning to attend an in-person workshop.

If you have NOT selected the Training Optional Add-On for SA VA Workshop attendance as an option, Budget Worksheets and a Budget Justification are NOT required, and you can skip to the "Requested Amount" section below.

Budget Worksheets and Justification language are NOT required for the Required Outcome for a Track 1 Base Grant (completion of a Self-Assessment of All Nine Standards AND a Comprehensive Strategic Improvement Plan), nor the Mentee Optional Add-On. Both of these outcomes are offered as fixed funding awards, based on deliverables met.

Deliverables Required for Payment of Fixed Funding Options
To receive payment for the fixed funding options included in your Track 1 Development Base Grant application, the following deliverables must be met. Payment will be based on deliverables achieved during the project year. Advance payments are still an option.

Deliverables for the Required Outcome of a Track 1 Base Grant*
• Completion of a Self-Assessment of all Nine Standards (SA9) with required paperwork submitted to your FDA Retail Food Specialist; AND completion of a Comprehensive Strategic Improvement Plan covering all nine Standards, submitted to NEHA: $5,000

Mentee Optional Add-On Deliverables*
• Achievement of the Retail Program Standards goals from your application: $8,000
• Completion of at least one site visit with your Mentor (either in your jurisdiction or theirs): $3,000
• Attendance at the required year-end Mentorship Conference led by NACCHO: $3,000

*Note that expense documentation WILL NOT be required for payment of fixed award outcomes and options, and your actual spending DOES NOT need to conform to the deliverable-based payments. You are free to expend funds as determined by your unique needs, with the only requirement for payment being confirmation that each selected deliverable has been met. **For audit purposes, however, keep in mind that your spending must always adhere to all federal subaward grant funding rules.***
