Mentorship/MENTEE Optional Add-On Grant - CY 2024 Application Template

Below is a multi-page screenshot from the NEHA-FDA Retail Flexible Funding Model (RFFM) Grant Program Portal, showing the application template for the grant type specified above. The screen-shot includes images of all required input fields, including maximum character counts for each text box.

When preparing applications for this grant program, please consider the following best practices:

1) For reasons of security and functionality, jurisdictions are required to complete all grant applications online using a modern, up-to-date browser. Users may access links to download these browsers at https://www.neha.org/retail-grants-tech-support.

2) For browser access to the grant portal, we recommend using an up-to-date version of Chrome, Edge, or Brave. Note: Internet Explorer is out of date and no longer supported by Microsoft and will not work with the NEHA-FDA RFFM Grant Program Portal.

3) Some applicants find it useful to draft answers for each grant portal question into MS Word or a comparable program, checking character counts for each entry (found under the Review tab in Microsoft Word), and reviewing their entries using Spell Check or Editor (also found under the Review tab in Microsoft Word). When complete, entries can then be copied and pasted into the grant program portal. This can be especially important to avoid loss of unsaved information when using a web-based program like the NEHA-FDA RFFM Grant Program Portal.

All applications for this grant program must be completed and submitted online through the NEHA-FDA Retail Flexible Funding Model (RFFM) Grant Program Portal, accessed through the NEHA Retail Grants website at https://www.neha.org/retail-grants. The information on the following pages may be helpful as you gather information and plan for development of your grant application.
