What about this?

That looks great, but I need an image that is very relevant. It needs to support my main message of clean drinking water.

What type of picture are you looking for?

I need a picture of clean water.

What about this?
Ah that’s my favorite one. It’s perfect! It’s yours!

Oh wait! What about that one? I want everyone in my community to see themselves in this image.

Ah! I have just the thing! Beautiful!

That looks better but I would love to have a monster in it so it is relatable.

Of course, what about this one?

That is so blurry! I can’t use that. Do you have a higher resolution? I need it to be professional.
Gizmo's water quality presentation was a success thanks to his carefully selected images!
