

National Environmental Health Association Student Advisory Committee

Committee Mission Statement

To engage environmental health students (undergraduate and graduate) and young professionals (SYPs) building their careers in environmental health. The mission of the committee is to create value for SYPs through activities that lead to enhanced exposure and advancement of knowledge in environmental health.

Committee Description

NEHA's Student Advisory Committee is comprised of NEHA members who are interested in student and young professional advancement and possess competencies critical for leadership through years of experience in one or more of the following sectors:

- Federal agencies
- State, local, and territorial agencies
- Academia
- Non-profits
- Industry/Private sector

The committee will work in the following immediate priority areas -

1. Establish NEHA's Student and Young Professional Mentoring Program
2. Enhance the leadership opportunities for students and young professionals at NEHA

The committee will also work towards the following long-term goals –

1. Establish NEHA's Student and Young Professional Caucus/Assembly
2. Identifying student needs and challenges to increasing student engagement at NEHA
3. Strategies to expand the NEHA Internship Program (Non-NEPHIP)
4. Establish an Annual NEHA Student and Young Professional Career Fair and Research Symposium to be held on a virtual platform
