A Certified in Comprehensive Food Safety (CCFS) is an expert who works to assure food is safe for consumers by managing or evaluating food facilities and food production processes throughout the food supply chain. The Board of Directors has ruled that NEHA cannot accept work experience in lieu of college coursework.

If you are not sure about whether your college courses meet the requirements, you can request a transcript review as noted below.

**Transcript Review for United States College Transcripts**
Candidates with education from within the United States can request NEHA to review their transcripts for eligibility separate from the application procedure for $50. A transcript review form must be completed and is available at [http://neha.org/sites/default/files/Transcript-Review.pdf](http://neha.org/sites/default/files/Transcript-Review.pdf).
Please see additional instructions on the form.

The $50 fee is non-refundable even if NEHA finds that your education does not meet the CCFS qualification requirements. It can take 2-4 weeks for your transcripts to be reviewed and you will be notified by letter and/or e-mail.

**Foreign Education**
If you have college or university education from outside the United States or its territories, you must have your foreign education evaluated by a “third party” foreign education evaluation service to determine equivalency to a Bachelor’s degree in the United States. You must submit an evaluation report with your NEHA Credential Application or the report can be sent by the evaluation service directly to NEHA.

NEHA cannot evaluate foreign educational documents even if they have been translated into English. All foreign transcripts must be evaluated by foreign education specialists.

NEHA strongly recommends you choose a service that is a member of the National Association of Credential Evaluation Services (NACES). For information on NACES member companies, go to [www.naces.org](http://www.naces.org).

Canadian education is considered foreign education. It must be evaluated by a third-party evaluation service.

**Completing the Application**
Applications must be completed and returned to NEHA for review at least 4 weeks prior to the exam date. If an application is received less than 4 weeks prior to when an examination is being given, you may have to test at a different exam administration.

A complete application should include:

1. Completed NEHA Application for Professional Credentials.
2. Official College Transcripts. To be considered an official transcript it should be received at the NEHA office in the sealed envelope from the College Registrar’s Office/Transcript Office.
3. Work Experience Verification Form.
4. Appropriate fees.
5. Third party review (applicable for foreign candidates).
Exam Fees
All fees should accompany the NEHA Application for Professional Credentials and fees are subject to change.

Please contact Pearson VUE if you have any questions regarding what forms of identification are accepted.

**Scores**
The passing score for the **CCFS** is 650 on a scale from 0 to 900. Your score will be based on the number of questions answered correctly. You will not be given credit for any question left blank and wrong answers do not count against your score. Therefore, if you are unsure of the answer it is better to guess.

Your exam results will be mailed to you from the NEHA office 4-6 weeks after the administration. To insure confidentiality, exam scores will not be released over the phone, via fax or email.
